Existing Signage:

List the number, size, type of existing signs on the property and/ or building: _____

Enclosed Supporting Documents:

- Liability Insurance (*required when signor sign base encroaching on municipal lands*)
- Waiver of Liability
- Highway Permit
- Third Party Sign Owner Authorization
- Drawing and/ or Photos

Drawings are to be in accordance with standard architectural practice and to scale, illustrating each side of the sign areas showing copy, sign area and dimensions of the sign, as well as the colour scheme and materials, and details of any supporting structures and surrounding framework.

The following information is to be included where applicable:

1. Drawings or photos showing the proposed location of the sign in relation to the building face and property boundaries;
2. Drawings or photos showing size and location of any other signs on the property;
3. Description of the material and colour of which the sign is constructed;
4. Detailed description of the method and type of wiring, illumination and attachment to building as applicable.
5. For window signs, the size of the window area where the sign will be located
6. For awning signs and canopy signs, the size of the surface area of the awning or canopy;
7. For fascia signs, the business frontage size.

Note: The Director of Municipal Services or his/her designate may require a Professional Engineer to certify the structural adequacy of the sign, sign base and method of attachments as part of the Permit application process.

Waiver, Release & Indemnification

In consideration of the granting of a permit pursuant to this application, I/WE agree to release any indemnities and save harmless the Town of Creston, "the Town", its Council members, employees and agents from and against all claims, liabilities, judgments, costs and expenses of every kind including negligence which the Owner, future Owner, Occupiers or any other person, partnership or corporation or Owner's heirs, successors, administrators or assigns incurs in consequence of or incidental to the issuance of the permits, the review of plans and supporting documents, inspections made by the Building Official or enforcement or failure to enforce a code or bylaw and the Town owes no duty of care in respect of these matters to the Owner, whether or not an office or employee of the Town.

I HAVE READ THIS ABOVE STATEMENT, RELEASE AND INDEMNITY AND UNDERSTAND IT.
